Promotional handouts and free newspapers advertise a wide range of helicopter tours and maui vacation activities; Activity agencies along Front Street in Lahaina can offer cut-rate deals.

Helicopter Tours by Blue Hawaiian

Blue Hawaiian Helicopters offers its guests the many hidden secrets of Maui. The locals know that the remote, pristine beauty of Maui can't be seen from a car-one can only guess at the grandeur and spirit of our island home in the inaccessible distance. Glide through canyons with waterfalls that cascade 1,000 feet down sheer rock faces. Climb to the 10,000 foot summit of Haleakala and fly across the world's largest dormant volcano; then skim the treetops of dense tropical rain forests and track tumbling streams to their source - the contrast between the desolate splendor of the volcanic crater and the lush jungle is astounding. Once you fly through the West Maui Mountains - the second wettest spot on earth - you'll understand why Maui is called the Valley Isle.

Hawaiian Luaus

Old Lahaina Luau :: Since 1987, the Old Lahaina Luau has been acclaimed for presenting Maui's most authentic and entertaining Hawaiian luau. Those who join us are treated to a truly memorable evening of traditional Hawaiian cuisine,

music, cultural dances and island crafts. Our guests appreciate a genuine reflection of Hawaii's rich history while enjoying a spectacular ocean view and sunset.

The Marriott Luau is now on it's brand new luau grounds. This is a part of the Maui Marriott Resort's 70 million dollar renovation on Kaanapali Beach. The Marriott Luau has been the most attended luau on the island of Maui for the past 12 years, and it has had many appearances on many of the major and public networks.

The Feast at LeLe :: Rekindle romance in a spectacular setting where every table is intimate and offers a panoramic view of West Maui sunsets. Lele is the ancient name for Lahaina, and this is the beach where the royal family of Maui would feast and entertain. Summon your spirit of adventure and let the Feast at Lele arouse your senses.

Ulalena :: The Story of the Hawaiian Islands

Welcome to a truly unique Maui theater experience... this is Ulalena...The story of the Hawaiian islands, as told through song, music and dance... a 10 chapter journey is underway spanning through time. (don't miss this amazing live performance)

Bike Down Haleakala Volcano

Experience the journey with Mountain Riders 38 mile bike ride from the summit of Haleakala to the sea of Maui, Hawaii. The Sunrise Journey is our most popular bicycle tour. Your tour begins at the House of the Sun Visitor Center where you enjoy hot coffee, juice and pastries and receive a comprehensive safety briefing. Certified tour guides provide you with a history of Haleakala, its geology and an explanation of rare plants and animals only found on Maui. You are then escorted by your mountain guides to the rim of the crater to view sunrise at 10,000 feet. Following sunrise you will be expertly fitted to your bicycle and begin you 38-mile bike ride down the slopes of Haleakala - the worlds largest dormant volcano.

Scuba / Snorkel Cruises to Molokini

Maui's best-known snorkeling and diving spot is the tiny crescent of Molokini poking above the sea, all that's left of a once-great volcano. There's no beach, or landfall of any kind, but you do see a lot of fish, including deep-water species. Countless cruises leave early each morning (to avoid the worst of the heat) from Maalea Harbor; snorkelers can pay anything from \$45 to \$100 for a morning trip, and from \$30 for a shorter afternoon jaunt. Vessels range from the forty-passenger Blue Dolphin (tel 808/622-0075) up to the 150-seater Prince Kuhio (tel 808/242-8777).

Atlantis Submarine Expedition

Experience the magic Adventure of our Atlantis Submarine Expedition and create lifetime memories as you explore the majestic coastal waters surrounding the city of Lahaina on Maui Hawaii. In addition to our spectacular underwater adventures, Atlantis Adventures Maui is pleased to offer special, money saving adventure packages including an authentic Hawaiian Luau, Sunshine Helicopter Tour, or a world famous Whale Watch excursion.

Dinner Sunset Sail

As the sun sets in the evening between Molokai and Lanai, cap off your day in the perfect way, a champagne dinner sunset sail. What better way to spend the end of your day and the beginning of your evening than with this beautiful dinner sunset sail.
