

## Honolulu Best of

### Waikiki Beach

Learn to surf, or just sip a cocktail on the world's most famous beach.

### Pearl Harbor

Relive December 7, 1941 - the "day that will live in infamy" - by visiting the sunken USS Arizona.

### Bishop Museum

A great museum for those with archeological interests, the Bishop has the world's finest collection of Polynesian artifacts.

### Hawaii Maritime Center

The Maritime Center excellently documents Hawaii's seafaring past, including the lowdown on surfing's local beginnings and exhibits on today's luxury cruises.

### Diamond Head

Climb the extinct volcano of Diamond Head at dawn for superb views of the whole city.
